

Shire President Cr HELEN O'CONNELL

Okay, item 7.1.1 late item proposed budget amendment to facilitate repairs on Rylington Park Homestead 1437 Boyup Brook Cranbrook Road Scottsbrook Boyup Brook. So I'll consider that the motion has been read. Do I have a mover for the motion? Move Councillor King, seconded Councillor Inglis. Would you like to suspend standing orders to go to discuss the item? Yes. Okay. Okay. Move Councillor Inglis, seconded Councillor Wright. All those in favour? Carried. Okay, Councillor Inglis.

Cr David Inglis

To, I was just to that email that, well not email but our chat that came through on the other day about the proposal of what's going to happen. I think it's a great idea. The only question I have, and I kind of assume that Leonard's probably going to retire in about 25 years' time and the next person's going to want to live out there.

[laughter]

But is this going to be a, so say for instance yes, so obviously this is longevity to be able to go out there, but what about if the next CEO doesn't want to live out there and we've rented the house out in town? How do we go with that?

CEO LEONARD LONG

May I answer that, Chair? Yes, you may. So through the Chair, I'll be happy to sign a 10 year contract with Councillor right now if you'd like. *[general laughter]* No questions asked. No, so we have actually taken that into consideration. So the house that will go out to GROW(?) will be a three by three. So there will be a break in that contract in case Council does get tired of me and moves me on, which we hope doesn't happen too soon.

Shire President Cr HELEN O'CONNELL

So just because the CEO is living in the house now doesn't mean to say that it always has to be the CEO's house. So if the CEO decides that he doesn't want to live in Magnificent Mayanup, wants to move back to boring old town, he can move back to town if he wants to.

Shire President Cr HELEN O'CONNELL

I know, there's no turning back.

CEO LEONARD LONG

You know, once I move, I move.

[laughter]

Cr Michael Wright

I have a question.

Shire President Cr HELEN O'CONNELL

Yes, Councillor Wright.

Cr Michael Wright

Wondering with the \$50,000, has that got some, what's that expenditure for mainly? Can you just cover that off for us? Obviously he's going to need more later on.

Shire President Cr HELEN O'CONNELL

Yes.

CEO LEONARD LONG

Through the Chair, probably the biggest cost on that one, there's got to be some repairs on the inside and the ceilings. It's got to be painted on the outside, it looks pretty dismal on the

outside. That's probably the biggest and there's some fencing repairs we have to do as well. But there will be other costs coming in addition to that afterwards. I know there is going to be some stumping coming up in time, but not right now. I think that \$50,000 at this stage is really just to get it into a clean, livable condition really.

Shire President Cr HELEN O'CONNELL

Yes, I did go out to the house with Leonard last week and it does need a little bit of TLC. And I'm confident that the CEO will spend the money wisely and make sure that we get value for money. Um yeah.

CEO LEONARD LONG

Yes, just to add on to that, Councillor, so to try and sort of stretch out money as far as possible, Ricky and I will be doing most of the work ourselves that we can do. Obviously what we can't do, we'll get contractors in to do that if the budget's still there for that.

Shire President Cr HELEN O'CONNELL

We've really got to look after this asset that was gifted to the Shire. It's pretty, yeah, it's not in such good condition as when it was handed over. You have a photo of the original.

CEO LEONARD LONG

Yeah, I would encourage councillors to actually take a drive out there and have a look at what it looks like. The house is unlocked because none of the doors lock at this stage. And you're welcome to go inside. On just above the fireplace is a photograph of what the place looked like in 1985, 1950 something, that's it. Yeah. I'd love to see it back in that, if not better condition to that.

Unknown Cr

If I can make it, for the Chair, make a comment, is that out of respect for the people who left it to the Shire, it should be left in a condition that makes it usable for the next, for its inevitable next phase. And having experience with old buildings in Boyup Brook through neglect, I know that the best thing to do is get on it early because it will cost a lot more in the future, proofing, by doing it now.

Shire President Cr HELEN O'CONNELL

Yeah, thank you. Thank you. Is there any other questions, Councillor Moore?

Cr Philip Moore

Yeah. I'm not sure if it's relevant to this exactly, but I'd ask it anyway.

Obviously you're going to have to have some storage out there, isn't it?

With some of our smaller items, like four wheels and motorbikes and stuff like that later on, can they be tucked into one end of that shed out of the way?

I mean, that's just something I'm thought about because I don't want to see them left vulnerable, you know, the small items that need to be protected that's out there.

CEO LEONARD LONG

Yes, so through the shed, while the farm's still in our possession, if I can call it that, that shed will be used, co-used. It's not going to be locked up just because I've moved in there. And quite honestly, even once I've moved in there, if the farmer needs to park something up in there in their space, I'm not going to have a drama with it. I'm not going to share a key, really. It's not a drama for us.

Shire President Cr HELEN O'CONNELL

Any other questions? Okay. So, I'd like that Council resume Standing Orders as per Clause 15.6 of Standing Orders Local Law No. 1. Movers for that, please. Councillor King, Seconded

Councillor Inglis, all those in favour? Carried. Okay. Okay, so we have a mover and a seconder for the motion. Would the mover like to speak to the motion?

Cr Darren Kling

No, I have nothing to add.

Shire President Cr HELEN O'CONNELL

The seconder like to speak to the motion?

Cr David Inglis

No I have said my bit. Thank you very much.

Shire President Cr HELEN O'CONNELL

Thank you. Is there anyone that'd like to speak against the motion? No? I'll put the motion. All those in favour? Carried.

[general laughter at inaudible comment]

CEO LEONARD LONG

I will be having a welcome barbecue there. The entry will be to pick up one piece of furniture at the old house to move it over to the new house.

[general laughter]

Shire President Cr HELEN O'CONNELL

Okay. There'll be no further business. The meeting is closed at 5:44.
